

March 2024

Dear Community Supporter,

Help us “PUTT” away pancreatic cancer as a sponsor of the Pancreatic Cancer Association of WNY’s (PCAWNY) 14th annual golf tournament on Monday, July 15th at Eagle Vale Golf Club. Bring your friends, colleagues, and business associates and spend the day on the links enjoying a full day of golf including 18 holes, lunch and dinner with awards, raffles, and silent and live auctions.

PCAWNY is an all-volunteer grassroots charitable organization that works year-round to spread awareness, advocate for those affected by the disease, and raise funds for programs, services, and local pancreatic cancer research efforts. The PCAWNY Golf Tournament is one of our main fundraisers that benefits local research work, provides assistance to families faced with a diagnosis, and supports the Michael F. Contestabile Scholarship Fund. The Scholarship is awarded annually to help families with the educational needs of young children affected by a pancreatic cancer diagnosis or loss of a family member to the disease. In 2010, Michael F. Contestabile’s colleagues organized the golf tournament to honor his memory after losing his battle with pancreatic cancer at the age of 46 leaving behind his wife and 3 young children.

Pancreatic Cancer is the 3rd leading cause of cancer deaths in the United States. The five-year survival rate for pancreatic cancer has recently increased to 13%. While great strides are being made, pancreatic cancer continues to have the lowest survival rates of all major cancers. Much more needs to be done to give more patients hope. Funding local research is vitally important for developing better treatment options and early detection methods. Your support can have a major impact in helping create hope and supporting a cure as 100% of all donations stay in our community helping families touched by pancreatic cancer. Your donation is tax-deductible to the extent allowed by the IRS. Our tax identification number is 14-1813190 under the organizational name of Good Causes.*

Register your team or make your donation today by returning the attached form to us or register online at www.pcawny.org/Golf.html.

We look forward to your participation in “PUTTING” away pancreatic cancer on July 15th.

Sincerely,

Mary Ellen Smith
